

6FIX PHASE 2 ONBOARDING

6FIX·PHASE TWO·RESTARTFITNESSPH

PHASE ONE

Awareness.

Group Coaching

Basic habits installed

Food awareness built

Consistency started

Foundation complete

PHASE TWO

Personal Structure

1-on-1 with Coach Jap

Personal system built

Your nutrition targets

Your routines, your life

Long-term structure

"Phase 1 gave you awareness."

Phase 2 gives you personal structure."

WHAT CHANGES

This is not another challenge.

	PHASE 1	PHASE 2
FORMAT	Group — coached together	1-on-1 with Coach Jap
FOCUS	Awareness & tracking	System structure
HABITS	Basic daily habits	Personalized routines
ACCOUNTABILITY	Group weekly check-in	Personal weekly review
NUTRITION	General framework	Your exact targets
END RESULT	Foundation built	System that runs with you

YOU ALREADY DID THE HARD PART

Phase 1 is done.

Phase 2 is yours.

YOU TRACKED YOUR FOOD. NOW WE BUILD YOUR PERSONAL NUTRITION SYSTEM.

You built basic habits. Now they become permanent routines.

You proved consistency. Now we make it automatic.

You completed the challenge. Now we build a life that doesn't need one.

01 → 02

Four Pillars. One System.

01

Personalized Nutrition Structure

Personal protein targets Meal timing & food systems 3 default repeatable meals

02

Habit Installation

Morning & evening routines Trigger management Decision systems

03

Movement System

2× training per week Personal step targets Active recovery protocol

04

Accountability

Weekly personal review
Food log reviewed 3×/week Coach adjustments as needed.

Nutrition Structure.

- Protein target set to your goal body weight
- Meal timing built around your schedule
- 3 repeatable default meals identified
- Eating-out strategy created
- Friction points in your eating removed
- No Liquid Sugar (non-negotiable)

01

PROTEINFORMULA

$$\text{Goal weight (lbs)} \times 0.8$$

$$= \text{Daily protein target (g)}$$

Split across 3 meals · 25–40g each

Protein first. Every meal. Every time.

Water: 2.5–3L/day · No liquid sugar · Whole foods first

Habit Installation.

MORNING

- Consistent wake time
- 500ml water immediately
- Breakfast — protein first (25g+)
- Food logged before you leave
- Daily step target started

EVENING

- Last meal 2-3 hrs before bed Wind-
- down — no screens Tomorrow's meals
- prepped
- Habit score submitted in Trainerize
- Consistent sleep time locked

"Your morning sets the standard. Your evening protects it."

Movement System.

2 x Training sessions per week – minimum

7–12k Dailysteps – personalized to your baseline

10 min Post-meal walk – active recovery

Active Rest days – mobility + walking, not full stop

03

STEP TARGET LEVELS	
Starting point	7,000 steps/day
Building	9,000 – 10,000/day
Advanced	11,000 – 12,000/day
<i>Adjusted from your Phase 1 average. Never guessed.</i>	
Consistency beats intensity all the time.	

Accountability.

Weekly personal review

Every Friday — your logs, your data, your feedback. Not generic.

Food log reviewed 3×/wk

Coach Jap reads your logs personally. Adjustments flagged fast.

Habit score tracked daily

Trainerize—you score, coach adjusts. Feedback loop is real.

Bi-weekly adjustments

Nutrition and habit targets updated as your body and life change.

Mid-program review

Week 5—full system audit. What's working, what gets changed.

Final evaluation

Week 6—measurements, photos, playbook, Phase 3 conversation.

04

MORNING

- Consistent wake time
- 500ml water immediately
- Breakfast + protein first
- Log food before you leave
- Step goal started

MIDDAY

- Lunch logged
- Hydration: 50% of target hit
- Move — steps or gym session
- Hunger check
- Adjust if falling behind

EVENING

- Dinner logged
- Habit score submitted
- Evening routine starts
- Tomorrow prepped
- Sleep on time

Structure beats motivation.

EVERYFRIDAY

Your weekly ritual.

- 01 Weight — Monday morning weigh-in
- 02 Waist measurement
- 03 Habit score — out of 10
- 04 Energy level — 1 to 10
- 05 Sleep quality — 1 to 10
- 06 What I nailed this week
- 07 What got in the way
- 08 What I need from you this week

COACH RESPONDS WITH:

- What I noticed in your logs
- One adjustment for next week
- One thing to double down on
- Specific — never generic

"Personal. Specific. Consistent."

Via Trainerize · Every Friday · Responded within 24 hrs

MEASURE WHAT MATTERS

Habit Score System.

DAILY HABITS – 1 POINT EACH

• Hit daily protein target	+1
• Logged all meals	+1
• Training session completed	+1
• Hit step target	+1
• Morning routine done	+1
• Evening routine done	+1
• Water target hit	+1
• Sleep 7+ hours	+1

WEEKLY MAX: 56 points · Score % = earned ÷ possible × 100

SCORE BENCHMARKS

85 – 100% Outstanding
→ System is running itself

70 – 84% Strong
→ Minor adjustments only

55 – 69% Attention
→ Coach reviews friction

< 55% Intervention
→ Check-in call this week

Personal. Specific. Consistent

Weekly Adeherence Every Friday · Trainerize

Your full check-in reviewed. Responded personally within 24 hrs.

Food Log Review 3× per week · Trainerize

Coach Jap reads your logs directly. Adjustments flagged immediately.

Habit Adjustment Bi-weekly · Message or call

Nutrition and habit targets updated as your body and schedule change.

Mid-Program Review Week 5 · Call or in-person

Full system audit. What's working, what changes for the final stretch.

Final Evaluation Week 6 · In-person

Final measurements, photos, personal playbook, and Phase 3 conversation.

Phase 3 is for people who built a system.

- Precision Nutrition
- Performance training
- HYROX & fitness events
- 10k runs
- Long-term coaching ecosystem

"Habit score 75%+ in Phase 2. Consistent for 6 weeks. Ready to perform."

The challenge ends. The system is yours.

Phase 2 – Personal System Build – 6 Weeks – 1-on-1

Coach Jap · @restartfitnessph

6FIX

"Stop restarting. Start building."
